In Science Club this week, our young engineers have been busy designing and building their very own bridges to support a toy car! Using simple materials including lollipop sticks and cardboard, the children have put their creativity to the test. But it wasn't just about building – they also applied important engineering and math skills, like measuring length and calculating angles, to make sure their bridges could hold the car steady.

Whilst in Eco Club, our budding environmentalists have been learning about how food is grown by planting tomatoes and using companion plants such as marigolds, basil and coriander ready to watch them grow. Watch this space!

Year 4 Visit to Tam O'Shanter Farm

Our Year 4 class had the exciting opportunity to visit Tam O'Shanter Urban Farm, and what an amazing morning it was! The children had a fantastic time exploring and learning about various animals, from ponies to chickens, and even some adorable rabbits and guinea pigs. The trip was not only enjoyable but also helped us deepen our understanding of animal life cycles and characteristics.

Year 6 Visit to Old Garden Care Home

We would like to thank all the staff and residents of the Old Garden Care Home who hosted our Year 6 children as they shared their latest topic work on World War II. The children enjoyed entertaining the residents with war time songs such as "White Cliffs of Dover" and "We'll meet again", followed by shared stories and tales with the residents.

Reception Visit to Caldy Manor Care Home

We would like to thank all the staff and residents of Caldly Manor Care Home for hosting our Reception children on Thursday this week. The children enjoyed lots of activities with the residents and enjoyed some delicious treats!

PTA - Gift Amnesty

The PTA are looking for any duplicate/unwanted gifts you can donate for any future raffle prizes. If you can help, please drop off any gifts to the School Office.

We thank you in advance for any future donations.

Recycle Your Empty Printer Cartridges at School

As part of a recycling initiative, we are asking all parents and carers if they would kindly drop off any used Inkjet and toner cartridges to the blue Inkjet recycling box situated outside the school office.

Inkjet and toner cartridges can take up to 1,000 years to compose, so if we can help recycle them, and raise some money for the school at the same time, this is a win-win situation!

We thank you for your support.

Pre-School Transfer to Reception September 2025

Following on from the “Take a Look” event of Friday 7th March 2025, we would like to write to you about next steps and the arrangements for children transferring from our Pre-School to our Reception class in September 2025.

In allocating places in our Reception class, we always give priority to our current children in the Pre School first. We would therefore like to share our offer for Reception provision with you to assist you with making a fully informed and rounded decision about the next steps for your child’s educational journey.

Our current Pre-schoolers have already enjoyed some exploratory visits to the Reception classroom and started to meet the Reception staff team. We would now like to extend this welcome by offering some informal, introductory sessions for parents to meet with Mrs Callaway, Headteacher, Mrs Daniel, our Reception teacher, and to discuss more about what we can offer your child in September 2025.

If you would like to take up this opportunity for an individual appointment, please confirm this with your child’s key worker in Pre School and we will be happy to arrange that with you.

We have already had a number of enquiries and statements of interest in next year’s Reception class from external parents and we will soon be confirming them as secured places for September 2025.

We shall, therefore, hold provisional places for all of our current Pre-School children until Tuesday 15th April 2025. If you wish to confirm your child(ren)’s place(s) in Reception for September 2025, we would be grateful if you would complete and return the reply slip by the above date.

We ask parents who wish to reserve their child(ren)’s place(s) in Reception class September 2025 to sign and complete the school’s registration form and agreement of the school’s terms and conditions.

Should you have any questions regarding the above, please do not hesitate to contact us for further assistance.

Reception to Year 6 RHE Parent & Consultation Meeting Thursday 27th February 2025 at 4pm

As a part of your child’s educational experience at Avalon School, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health, Citizenship and Economic (PSHCE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future.

The parent consultation and information meeting will be held on Thursday 27th February at 4pm in the Science classroom for parents of children in Reception to Year 6. We would be most grateful if you could indicate whether or not you are able to attend the meeting by completing and returning the attached reply slip by **Monday 24th February 2025**.

For more information, and to access the reply slip, please click on the link below:

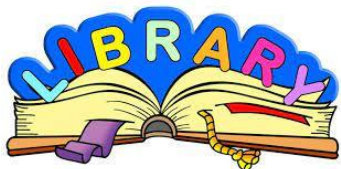

[RHE Parent Consultation Meeting](#)

Parents have also been sent our annual RHE Parent Consultation Survey form today, which enables all parents to review the school’s Relationships and Health Education (RHE) policy ([Avalon RHE Policy 2025](#)), communicate any questions or concerns about our RHE curriculum and know what will be taught to pupils. Parents may also access the survey here:

Reception children are hoping to visit West Kirby Library (weather permitting) on the afternoon of Thursday 27th February 2025. The visit will involve activities, a story telling session and to return some previously borrowed books. The children will be walking along the Wirral Way through to the library.

If you **do not** wish for your child to visit the library, please let Mrs Daniel or the school office know by **Monday 24th February 2025** so that we can make alternative arrangements for your child.

If you are happy for your child to visit the library, could we ask that they come to school with a raincoat and a pair of wellies (if they are not already in school).

World Book Day

Thursday 6th March 2025

**WORLD
BOOK DAY**

We will be celebrating World Book Day on Thursday 6th March. This term our theme is 'Making Connections' with this in mind we have chosen a book called 'The Invisible String' which the children from Nursery to Year 6 will be reading and learning about how we are all connected even when we can't see each other.

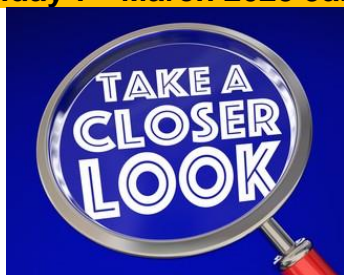

The children from Reception to Year 6 will be working on some reading activities in the morning and then coming together in their House teams for an inter house activity in the afternoon. The children in Nursery and Pre-School will also be taking part; the staff will be sharing the book with the children and engaging in some fun activities around the theme of how we are connected to each other.

Again, this year, instead of asking the children to wear a costume, we would ask that the children in Reception to Year 6 wear their House T-shirt and their PE tracksuit bottoms. Children in Nursery and Pre-School may wish to wear a coloured t-shirt and their brown joggers. Details of how to purchase house t-shirt will be forwarded to parents separately and in due course. House T shirts will also be required later in the year for other inter House activities and Sporting events.

The children will receive a £1.00 book token which can be used to get £1.00 off any full priced book or swapped for a special edition World Book Day £1.00 book.

Nursery & Pre-School Take a Look Event

Friday 7th March 2025 9am – 10.30am

shutterstock.com · 668602414

We will be holding our "Take a Look" event on Friday 7th March (from 9am – 10.30am) and look forward to welcoming many of our Nursery and Pre-School parents. This event offers parents and carers the opportunity to experience a typical working day in the main school. A guided tour will be provided by our Year 5 and Year 6 children who will be able to tell parents all about school life at Avalon. We hope that this proves to be helpful when considering your child's next educational steps and would like to extend the invitation to any parents who are unable to attend this special open morning, to have a personal tour of the school with Mrs Callaway, by appointment.

Local Artist Workshops
Monday 24th March 2025

As part of this term's theme "Making Connections", we have invited local artist, Mark Swan into school to run art workshops with the children in Reception to Year 6 on Monday 24th March 2025.

On Mark's last visit to school the children created some beautiful pieces of work which were displayed around school for all children and staff to enjoy.

This time we have arranged for an exhibition of the children's work to be displayed for parents/carers to view and purchase at a cost of £5.00. The 'Avalon Art Gallery' will be displayed in the school hall on Friday 28th March from 3pm.

We hope that the workshops will enhance the children's learning and provide you and them with a wonderful memento of a very special experience.

Year 3 Visit to the Roman Soldier Tour at Grosvenor Museum Chester Tuesday 25th March 2025

A visit to The Roman Soldier Tour at The Grosvenor Museum in Chester has been booked for Year 3 children for Tuesday 25th March 2025. This trip promises to be an enriching experience, offering valuable insights into history, art, and cultural heritage of the Romans.

The cost of the trip will be £30.65 per child, which includes transportation, entry fees to the museum, time in the museum to explore both galleries as well as a Roman Soldier tour to the Amphitheatre. Children will be travelling to the Museum by coach and leaving at approximately 9:15am. Please ensure your child arrives to school in plenty of time so we can organise ourselves for departure. School will be providing the children with a packed lunch including a drink, which will be eaten at the centre. We should arrive back at school in time for normal pick up.

School uniform must be worn, including blazers but not school hats. Please could we ask that all children bring with them a small rucksack to carry their lunch in. There will be no need for the children to bring any spending money. Please ensure the consent form and payment are made by **Thursday 20th March 2025**.

Safeguarding

To ensure the safety and wellbeing of all our pupils, we kindly remind you that parents and carers should only enter the school buildings when **with a member of staff or you have shared a valid Enhanced DBS check with the school**.

This is a vital part of our safeguarding procedures and helps us maintain a secure environment for everyone.

Thank you for your cooperation and understanding.

Safety Reminder!

We kindly remind parents that children should not play on the playground area, outside of school hours, unless closely supervised by an adult. This is especially important during poor weather conditions, such as those we have been experiencing recently. Whilst we strive to ensure everyone's safety during school hours, we cannot be held liable for your children's safety once they have been collected and are in parents' care.

Thank you for your understanding and cooperation.

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldry Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

Scooters and Bicycles

It is lovely to see children coming to school on their bicycles and scooters in the morning. However please could we ask that bicycles and scooters are not left on the school ground during the day for safety reasons.

Many thanks for your understanding and co-operation.

Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

IMPORTANT REMINDER Breaktime Snacks

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, cheese and vegetables are brought into school for break time snacks.

Snacks which are high in salt, sugar and fat such as salted popcorn, crisps, fruit winders and other sugary snacks are not appropriate to be brought into school.

Thank you for your co-operation.

Healthy Snacks

We know that many parents like to celebrate birthdays and other occasions with special treats. We encourage parents to celebrate with non-food items such as stickers, pencils, themed erasers, or other trinkets, rather than food.

Thank you for your understanding and co-operation.

Wet Play Bags

As we start a new academic year, if any children need a new wet bag play, please contact the school office via email schooloffice@avalon-school.co.uk. New wet play bags are charged at £5.00 each.

All children in Reception and new children throughout the main school will be provided with a wet play bag and instructions as to what can be included.

If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates.
