5th July 2018

Dear Parents / Carers,

I am delighted to attach a copy of the ISI Regulatory Compliance Inspection report which was conducted at Avalon School earlier this term.

You will be pleased to learn that the School is deemed to be fully compliant in every respect, with no action points recommended. It should be noted that this mode of new inspection is a "pass or fail" exercise, with a very exacting level of intensity and scrutiny, and the report is a summary of whether the necessary standards have been met across eight different sections. It is no mean feat to achieve a report of this nature and I congratulate my teaching and support staff, for their efforts in this respect.

Whilst the report itself does not have room for subjectivity, the inspectors asked me to convey their thanks to the whole School community for making them feel so welcome during their visit. They gave me some useful feedback on an informal basis and it was evident that they were very impressed by the children whom they had met, describing them as "fantastic ambassadors".

I trust you will join me, and the whole staff team, in feeling proud of a successful outcome for Avalon after such a rigorous process.

Yours sincerely,

Mrs Callaway
Headteacher
