18th October 2018

Dear Parents / Carers,

Collection Arrangements for Year 6 on Friday 19th October

As you are aware, results of the recent grammar school assessments will be sent out to parents by 19th October. In partnership with parents, we are confident that we have prepared the children as best as possible, however we do recognise that this can be an apprehensive and difficult time for some children. With this in mind, we would like to make a few suggestions.

Firstly, we would like to offer a more flexible arrangement for the collection of Y6 children from school on Friday. We do expect that children will be registered for the start of the school day as normal, however if parents wish to collect their child from school earlier than the normal end of school day, on this occasion, it will be acceptable to do so. We do request for safeguarding and fire safety reasons that on arrival parents should report to the school office first, where they will be required to sign their child out of school. However, you may wish your child to attend school within the normal working day, which of course is absolutely fine too.

Secondly, we would ask that both parents and children are discreet, thoughtful of others' feelings and most importantly, sensitive in sharing any results, whether this be at school or online.

We hope that these arrangements will enable a continuation of the supportive and encouraging ethos which we strive to ensure that all our children are reassured by.

Parents are reminded that the secondary school preference forms should be completed by 31st October. Please do not hesitate to contact us or Wirral School Admissions if you have any further queries or concerns.

Yours sincerely,

Mrs J Callaway
