14th September 2016

Dear Parents/Carers

**Parent E-Safety Workshop
Wednesday 5th October 2016 at 5.30pm**

We are pleased to announce that we will be holding an E-Safety Workshop for all parents to attend.

Recent research shows that every time a child is online they are only a few clicks away from danger. The internet has changed all of our lives, particularly our children's. For parents and carers this opens up a whole new world of things to be aware of. You might be struggling to keep up with the things your child is doing online, you might wonder what your child is doing online, whether what they are doing is safe, how you can talk about what they're doing online and the risks they might face.

We have secured the services of Dr Nixon, who works closely with Cheshire police and as a forensic psychologist. She recently delivered an excellent training session with the whole school staff team to raise our awareness of the cyber landscape and online safety. Dr Nixon will guide you through the hurdles of the online world and give you up to date information and strategies to keep your child safer.

We do hope that you will be able to attend the workshop and ask that you completed the reply slip below indicating whether or not you will be attending.

Yours sincerely

Mrs J Callaway
Headteacher

**Parent E-Safety Workshop
Wednesday 5th October 2016 at 5.30pm**

I/We* will/will not* be attending the Parent E-Safety Workshop on Wednesday 5th October 2016.
