16<sup>th</sup> January 2023

Dear parents and carers,

**School Council Visit to Tam O'Shanter Farm  
Tuesday 14<sup>th</sup> February 2023**

The school council will be visiting Tam O'Shanter Farm again on Tuesday 14<sup>th</sup> February for an educational visit.

The school council are committed to supporting this local charity and the animals they look after. The farm solely relies on volunteer support to enable it to run. We will be asking all the children to donate root vegetables for school council to take on the day. The school council will be helping muck out and feed the animals during their visit.

School council will be leaving school at 9am and will return in time for lunch. Please ensure that your child arrives to school in plenty of time. As we are visiting the farm in February, it is important that all children wear a waterproof coat. Please can we also ask that all children wear old clothes, preferably long trousers for working on the farm, trainers for the car journey, as well as a pair of wellies brought into school in a carrier bag. The children can also bring with them a small water bottle.

The children should bring into school their PE kit to get changed into upon their return from the farm.

Children will be transported to the farm using staff vehicles, if your child requires a booster car seat then can this please be brought into school on the day of the trip.

To enable your child to attend the trip to the farm it is important that the consent form below is completed and returned to the school office no later than Friday 10<sup>th</sup> February 2023. If your child has any allergies that school is not aware of then please note this on the consent form.

Yours sincerely
