

Notification Of Uniform Price Increases.

Dear Parent/Carer

Firstly, my thanks for your continued support during 2023/2024.

During the last year, Uniformity Clothing has faced the same financial pressures as all other businesses.

Inflated fuel costs, high-interest rates, and a 10% government-enforced pay increase are just a few examples.

We have rationalised our business the best we can and negotiated better rates with our suppliers.

Unfortunately, we have no choice but to make small increases to some of your school uniform items.

As of 15/04/24, all hats, summer and winter, will increase by £1.00, with all other products remaining the same for the rest of 2024.

I hope you understand my position on this, and once again, my sincere thanks.

Regards

Terry Pace
