Dear parents and carers,

Year 6 Residential Trip to Condover Reminders

Not long now before we set off on our Condover adventure, so just a few reminders.

1. If you think that your child might need any occasional medicine such as antihistamines or Calpol, could you please label it and specify when it can be given. (We will have some medication with us but are not allowed to give it to the children without your permission, in which case we'd have to phone you.) Medication taken on a regular basis will also need to be labelled and have written instructions about how to administer it. All medication must be given in to Mrs Kililiku on the morning of our departure.
2. Please ensure that your child has a water bottle (preferably labelled). There are water stations around the site so that the children can re-fill their bottles when necessary.
3. Could I please remind you, that school is providing a packed lunch for when we arrive at Condover. The children should not bring any food, snacks or sweets with them. (It would be a good idea for the children to have their water bottle with them for the journey.)
4. There is a Gift shop at Condover. If you'd like your child to purchase a few gifts or souvenirs, a maximum of £10 can be given in to Mrs. Roberts on Tuesday morning. This money should be in a purse, wallet or named envelope.
5. Please remember that your child needs to bring a sleeping bag and towels. (Condover provides a bedsheet, a pillow and a pillowcase but **does not** provide duvets or blankets.)
6. Please don't forget swimwear for our pool activity and waterproofs in case of rain.

Yours sincerely

Mrs J Callaway
Headteacher
