3rd July 2024

Dear parents and carers,

As the weather forecast for Friday is currently changeable, we have devised an alternative plan for Friday should it be needed. If rain looks likely later on in the day, we will go to the local beach (the one used for Beach School) in the morning. This would enable us to return to school more quickly. Then, if it is raining or rain looks likely in the afternoon, we will make the Year 6 classroom comfortable and watch a film (with popcorn, of course). We would like to watch a PG or age12 rated film, so **should anyone not agree to this, could you please inform the school.** There is also the possibility of us going to Devonshire Park to play games. Again, as it is close to school, we could return quickly, if necessary.

These alternative plans have been risk assessed; we will make a decision on the schedule on the day, depending on the weather. Please ensure that your child brings a raincoat and footwear suitable for water activities. Other items to bring in a backpack: a change of clothing, including footwear; a small towel; a packed lunch (nut-free); a water bottle. A bucket and spade may also be very useful.

As always, thank you for your support.

Yours sincerely

Mrs J Callaway
