3rd June 2019

Dear Parents and Carers,

I am writing to advise you of school fees and other financial arrangements for the academic year 2019/2020, as set out below

The Board of Governors is always very conscious of the sacrifices many of our families make to send their children to our school and so we do all we can to keep fee increases to a minimum.

The decision to raise fees has been influenced by a number of factors including some very significant increases imposed by legislation. This has included increases in the National Living Wage as well as changes to employers' contributions to the national Teacher's Pension Scheme. In brief these have raised costs by around 3% above inflation.

We regularly look at every area of expenditure in school and try to make economies where possible, ensuring that our administrative and overhead costs are kept as low as possible so that our investment in resources is maintained and benefits as many pupils as possible. I am pleased to say that we will be further investing in the infrastructure of the school over the coming months and this includes the installation of a replacement server and installation of cabling and data network points.

As set out in the School's Terms and Conditions, school fees are payable on or before the first day of each term, unless they are paid by direct debit or you have an alternative payment agreement in place. If you have any questions or concerns regarding the payment of school fees, please do not hesitate to contact Ann Evans - School Business Manager on 625 6993 or annevans@avalon-school.co.uk for further assistance.

Yours sincerely

Mrs J Callaway
Headteacher
