

## Ukulele Lessons

Dear Parent/Carer,

Your child has taken part in a music assembly today and now has the opportunity to learn the **Ukulele** on a weekly basis with Class Sounds. We are a music tuition business situated in Liverpool, visiting many schools across the North West. Our goal is to help enrich music provision within these schools and inspire children to become awesome musicians.

Our program takes each student through a complete syllabus that contains material from beginner to advanced. **Weekly group lessons will take place at school, costing £5 per half hour lesson and instruments will be provided.**

Every lesson is tailored to each group, packed full of musical games and activities making learning fun and engaging. On their first lesson children will be given a folder containing everything that was taught during the lesson, including material to help practise at home.
