19<sup>th</sup> September 2019

Dear Parents and Carers,

As you know we are very proud of the enrichment and high-quality teaching and learning that Miss Tweed has implemented in science during her time at Avalon, in particular the recent accreditation of the Primary Science Quality Mark award.

Miss Tweed has shared with us that she is soon to be embarking on her next exciting venture and has decided to make the move to Australia and experience teaching science there.

Sadly, for us therefore, Miss Tweed will be moving on from Avalon at the end of the Autumn term, in December. She will be hugely missed and of course so too will her excellent and very creative science lessons, however, I am sure that you will all join with me in wishing her well in her future endeavours!

We will be advertising shortly for the post of full-time science teacher to take up the reigns and follow on from Miss Tweed's excellent work. I will of course keep parents updated on our recruitment progress in due course.

With very best wishes,

Mrs J Callaway  
Headteacher
