6th September 2024

Dear parents and carers,

**Parents' Information Meetings
Thursday 19th September 2024 at 5pm**

At the beginning of each academic year, we find it very useful and important to hold a meeting for parents/carers and Form Teachers to discuss information about the year group curriculum, classroom routines, assessment and reporting information, along with lots of other helpful material.

Meetings for parents of children in Reception to Year 6 will take place on Thursday 19th September at 5.00pm.

On arrival at school, may we ask that you go directly to your child's form room and sign in. There will be an information pack available for you to take away. Should any parents be unable to attend or have children in multiple classes and only one parent is able to attend an information pack will be available on request, from the school office.

Staff will begin their presentations at 5.05pm promptly and should last approximately 30 minutes. There will be time at the end for general questions; however, may I remind parents that this is not a formal Parent Consultation Evening and should you require further time with your child's teacher for a more personal discussion, then an individual appointment should be made at a mutually convenient time.

Finally, it has been wonderful to welcome back our returning families after the summer break and to meet and greet all parents during drop off and collection times, enabling those all-important face to face interactions and connectivity with school. Please do not hesitate to get in touch via email, telephone or to call in at the school office so that we can offer any further support or help.

Yours sincerely
