NEWS, NOTICES & REMINDERS

We have welcomed children back from Nursery, Pre School, Reception, Year 1 and Year 6, this week, following the Government's directive of the phased wider reopening of primary schools from 1st June. The Avalon staff team and all of the children have adapted incredibly well to the new routines and procedures this week, including remembering to keep 2m social distancing at all times and frequent hand washing. Staff have share lots of stories, songs and rhymes to help the children understand the importance of staying in their 'protective bubbles!' It has been delightful to see more children back at school and to see them playing and quite naturally using social distancing.
