28th April 2021

Dear Parents/Carers,

**Reception Mini Beast Hunt in the Woods
Wednesday 12th May 2021**

The Reception class children are very excited to be learning about mini beasts over the next couple of weeks in their new topic. To enhance the children's learning, we will be going to the local woods (weather depending) as investigators. The children will hunt for mini beasts and record their findings on their clipboard. Prior to our walk, the children will be exploring mini beasts in all areas of their learning and making predictions about what they think they will find.

School uniform must be worn, including blazers. We would be most grateful if you could provide your child with a waterproof coat and sensible shoes or wellingtons for walking in the woods.

All children will be taking part in this exciting activity, however, should you wish your child not to participate please email the school office (schooloffice@avalon-school.co.uk) no later than 9am on Wednesday 12th May 2021.

Yours sincerely

Mrs J Callaway
Headteacher
