Dear Parents and Carers,

**New Reception Class Parents Meeting
Moving to Online
Tuesday 29th June at 5.30pm**

Further to our recent letter inviting you attend school on Tuesday 29th June at 5.30pm for our New Reception Class Parents Meeting, we have taken the very difficult decision to move this meeting online via Zoom.

With daily increasing cases of COVID-19 locally we feel it is in everyone's best interests and to keep everyone in the school community safe from the potential risk of coming into contact with a person with COVID-19 this close to the end of term. We apologise for the late notice however to ensure the safety of everyone involved we feel that this is the best course of action at this present time.

All information that would have been shared at the face-to-face meeting can easily be transferred online and a copy of the parent information pack will be posted out to parents following the meeting. We will send Meeting ID details via a separate secure email tomorrow morning.

We look forward to meeting with you online tomorrow.

Yours sincerely

Mrs J Callaway
Headteacher
