NEWS, NOTICES & REMINDERS

Science Week Reception to Year 6 Week Commencing Monday 24th May

Starting Monday 24th we will be celebrating Science Week. All children from Reception to Year 6 will be taking part in their own exciting scientific enquiries throughout the week, leading up to a Science Fair on Friday afternoon, all linked to the topic of 'Innovation for the Future'.

Within the topic 'Innovation for the Future' the children will be focusing on the following areas:

- Reception – Growth and Change
- Year 1 and Year 2 – Food
- Year 3 and Year 4 – Clothes
- Year 5 and Year 6 – Energy

To begin with, the children will discover what the words 'innovation' and 'invention' mean. They will be provided with a Special Inventor's Box that will encase clues and ideas on what their enquiry will be based on.

Continuing on through the week, from their own discussion and research, they will create an enquiry question to investigate, linked to their focus above and using the range of resources available. Each class will be given time to conduct their investigation, creating an example of their product to test out.

Finally, they will use their new scientific understanding and skills to produce a presentation on their findings and conclusions, that will be displayed for the whole school in our Avalon Science Fair.

We are sure that the children will bring energy and enthusiasm to each part of this exciting week and conclude with a sense of achievement and new scientific knowledge.

PTA Committee Needs You

We need you!

We want to make sure that the PTA Committee has representatives from all classes - Nursery through to Year 6. Whilst the past year has meant we have been unable to hold face to face meetings, we do try to meet once a term to organise events and help to raise funds to support the School. As you will be aware, our current aim is to raise money to buy 10 more iPads for the School. If you are interested in joining us, please email the School Office (schooloffice@avalon-school.co.uk).

Click on the link below for our latest newsletter: [PTA Newsletter](#)

Pre-Loved Uniform

Thank you for your continuing support of Pre-Loved, which has meant we have raised **over £250** during the year. If you have any requests for uniform, please email on uniformpta@gmail.com or leave a comment under a post on the Facebook page. We are now in a position to accept donations, but please can you make sure that all items donated are wearable and not threadbare, and clean. Also, we can only accept the following Avalon specific uniform:

Blazers/Black Raincoats
Caps/Hats/Boaters
Brown V Neck Jumpers/Cardigans
Black PE Sweatshirts/Shorts/Skorts/Joggers
Brown PE Sweatshirts/Joggers
Yellow PE Polo Shirts
Tunics/Summer Dresses

Please leave with the School Office - thank you.

Unfortunately, there was not enough interest to run any other clubs this term. Hopefully, we will be able to offer more varied extra-curricular activities in the new academic year.

If any children from the above year groups would still like to join Speech & Drama, please contact the school office (schooloffice@avalon-school.co.uk)

Sunscreen

As the weather is becoming warmer and sunnier, we would ask that parents apply sunscreen to their children prior to attending school each morning, especially exposed areas such as face, arms, and legs. Thank you for your co-operation.

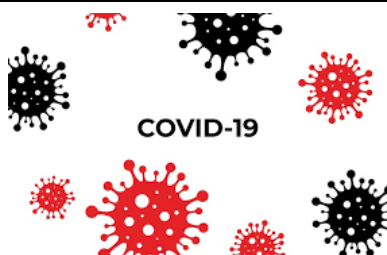

Please also ensure that children have a refillable water bottle each today to keep them hydrated.

Please NO Fidget Toys

We are aware that a number of children are bringing "fidget toys" from home into school. A small number of children can benefit from these as they can be a support to children with specific needs. However, as they have become more widespread, they have caused some issues within classes so we would ask that children **do not bring them into school** unless they have been specifically provided for children by school staff.

Arrangements for the Summer Term 2021

The Department for Education updated its operational guidance for Schools on 26th March. Arrangements at Avalon for the summer term will continue to follow the DfE guidance.

- Drop Off and Collection arrangements will continue to be staggered in the same way as they have been during the Spring Term, until further notice.
- Children will wear their Summer Uniform as normal, with the exception of PE days, when they should come to school in their PE kits to avoid changing in school.
- Children will continue to be in distinct 'bubble groups' wherever possible, to reduce the risk of transmission.
- School will continue to follow the system of controls as advised by Public Health England
- Educational day visits may resume following 12th April, subject to stringent risk assessment, however residential visits are not currently permissible.
- Wraparound & Before & After School Club (Childcare) will continue to run with same timings as in the Spring term. (8am-8.30am and 3pm to 5.30pm)
- Parents are not permitted to enter the school site, unless by prior arrangement by appointment.

Please note, all arrangements are subject to change.

Safer Road Watch Team

The Safer Road Watch Team has been in touch with School regarding their concerns over the speed of car along Caldý Road and the safety implications involved. We have been asked to make our whole school community aware that a group of vetted volunteers will shortly be issued with handheld speed radar guns and will be operating speed checks along Caldý Road. The group is hoping to establish a 20mph speed limit for Caldý Road, something that we have been campaigning for too.

Pick Up and Drop Off Times

Parents and Carers, please ensure that you queue to the boundary wall side when dropping off or collecting children (so as not to block the full pavement width) and please keep social distancing, in the interests of everyone's health and safety. Thank you.

Drop off and pick up from the main entrance on Caldý Road.

| Year Group | Arrival Time | Pick-up Time |
|------------|--------------|---|

Reception Class Places September 2021

There are still Reception class places available for Pre-School children. Should you wish to secure a place for your child in our Reception class please complete and return the reply slip. Follow the link below for the reply slip: [Reception Class September 2021 - Reply Slip](#)

Transition from Pre School to Reception

Parents have been sent a letter and email about our transition sessions for Pre School to Reception this term.

Please contact the school office if you have any further queries or concerns and we will be happy to assist you.

New Reception Parent Information Meeting will take place on Tuesday 29th June. Please email the school office to confirm attendance.

Sibling Drop Off and Collection

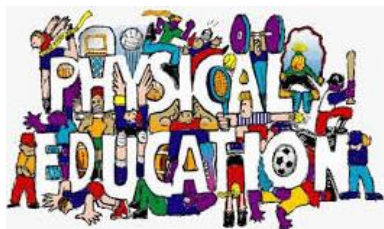

Staggered bubble group drop off and collection times are in place during drop off and collection to help reduce the risks of transmission of COVID-19.

Please could we ask that all parents and carers ensure that they do follow the staggered timings (as above) to help us manage drop off and collection of all children in the safest way possible.

****This is with the exception of siblings, where parents and carers may wish to drop off and collect children at the allocated time for the eldest sibling.**

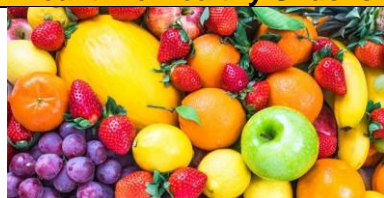

PE Days

Below are the days that the children will be having their PE Lessons. Children should come into school dressed in their full PE kit on their designated PE days. As the weather is still chilly, we would request that the children wear either their school joggers or a pair on plain black jogger/leggings rather than shorts or skirts. Please could we also request that children have their School Blazer or Waterproof Coat with them. Hats and Caps will not be required on designated PE kit days.

| Year Group | Days |
|------------|------------|
| Reception | Fridays |
| Year 1 | Fridays |
| Year 2 | Wednesdays |
| Year 3 | Tuesday |
| Year 4 | Mondays |
| Year 5 | Thursdays |
| Year 6 | Fridays |

Breaktime Healthy Snacks

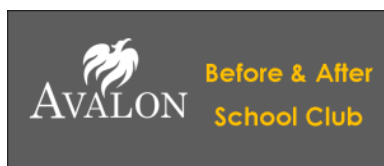

We have noticed recently that children are bringing break time snacks to school which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks. Please may we ask that children only bring healthy snacks such as fruit or vegetables for their break time snack. Thank you for your cooperation and support.

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school. We thank you for your continued support and understanding as we all adapt to different routines.

Before & After School Childcare Provision

Before School Club is available from 8am for all eligible children attending school during the partial closure. After School Club is available from 3pm (infants) / 3.30pm (Juniors) until 5.30pm. Late collections for any children (including Nursery and Pre-School Wraparound) will incur an additional charge.

The routines and procedures for dropping off at Before School Club and collecting from After School Club will continue as the autumn term arrangements. **On arrival, please press the buzzer at the gate for assistance, your child(ren) will then be brought down to meet you at the gate.**

Dependant on Government guidance, we hope to revert to our normal hours for Before and After School Club, after the half term break (7th June) and we will keep parents informed in due course.

Scam Emails Warning

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates. Any emails you receive containing invoices or statements will be sent from either accounts@avalon-school.co.uk or annevans@avalon-school.co.uk

Water Bottle

So that children can stay hydrated throughout the day and for health and safety reasons please ensure that your child brings to school each day a named refillable water bottle. Avalon School water bottles are available from the school for £2.00 each. If you would like to purchase a water bottle, please email the school office, schooloffice@avalon-school.co.uk.

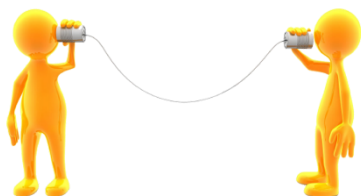

Thank you for helping us keep everyone safe and healthy.

Face Coverings

Can we please remind parents/carers that, in accordance with current government guidance and Wirral Local Authority Director of Public Health, we would kindly ask that face coverings are worn when collecting and dropping off your children at school, unless special exemptions apply.

Lines of Communication

We have a Class email system available to keep lines of communication open between parents and teaching staff, whilst parents are not permitted on to site. Please see the email contacts below should you need to contact your child's Form Teacher or Key Worker, as appropriate. **Please note that teaching staff will endeavour to respond to emails by the next school day, however teaching staff will not respond to emails during weekends or holiday periods. For all other non-academic queries and concerns, please email the school office: schooloffice@avalon-school.co.uk
