## Year 3 Beach School Sessions Session 2

Year 3 had an amazing time during their Beach School session this week! They used cloud spotting guides to identify different types of clouds drifting overhead and put their navigation skills to the test with compasses and sundials to tell the time.

Learning outside the classroom has never been more fun!

**Dates of the next sessions are as follows:**

Monday 16<sup>th</sup> June **PM**

## Year 4 Beach School Sessions

### Session 2

This week, Year 4 had a fascinating beach school session! They spotted a barrel jellyfish drifting near the shore and explored the science behind what happens when lightning strikes sand — discovering how it can form glass-like structures called fulgurites! To end the day creatively, they made stunning mermaid artwork and crafted an *albatross*, inspired by their current class book, *Oliver and the Seawigs*.

Another magical afternoon of learning by the sea!

**Dates of the next sessions are as follows:**

Tuesday 17<sup>th</sup> June **PM**

## Year 5 Beach School Sessions

### Session 2

This week at Beach School, Year 5, using their compasses, mastered the basics of orienteering, navigating from school to the beach while tracking directions like true explorers!

Once there, it was time for some cross-curricular fun—using their maths skills to calculate scaled ratios and design incredible sand models of famous buildings.

Beach safety was also on the agenda as they learned to identify wind direction and picked up some top tips for staying dry during extreme coastal weather

Super fun in the sun! Beach School.

## Year 4 Trip to the Blue Planet Aquarium

Year 4 had a fin-tastic time at the Blue Planet Aquarium!

They explored every corner of the aquarium and discovered some incredible underwater creatures. Highlights included: Flooded Forest where they spotted rainforest fish, including the fierce (but fascinating) piranhas! The Frog Zone - Did you know the Golden Dart Frog is the most poisonous frog in the world? Rock Pools - One cheeky fish even tried to leap out and join the group! Not forgetting the Acqua Theatre & Shark Tunnel where they watched the amazing divers feed and care for the animals up close.

This unforgettable trip has deepened their understanding of Science and sparked ideas for English writing projects!

## Pre-School Transfer to Reception September 2025

When allocating places in our Reception class, we always give priority to our current children in the Pre School first. We would therefore like to share our offer for Reception provision with you to assist you with making a fully informed and rounded decision about the next steps for your child's educational journey.

Our current Pre-schoolers have already enjoyed some exploratory visits to the Reception classroom and started to meet the Reception staff team. We would now like to extend this welcome by offering some informal, introductory sessions for parents to meet with Mrs Callaway, Headteacher, Mrs Daniel, our Reception teacher, and to discuss more about what we can offer your child in September 2025.

If you would like to take up this opportunity for an individual appointment, please confirm this with your child's key worker in Pre School and we will be happy to arrange that with you.

We have already had a number of enquiries and statements of interest in next year's Reception class from external parents and we will soon be confirming them as secured places for September 2025.

If you wish to confirm your child(ren)'s place(s) in Reception for September 2025, we would be grateful if you would complete and return the reply slip by the above date.

We ask parents who wish to reserve their child(ren)'s place(s) in Reception class September 2025 to sign and complete the school's registration form and agreement of the school's terms and conditions.

Should you have any questions regarding the above, please do not hesitate to contact us for further assistance.

### Recycle Your Empty Printer Cartridges at School

As part of a recycling initiative, we are asking all parents and carers if they would kindly drop off any used Inkjet and toner cartridges to the blue Inkjet recycling box situated outside the school office.

Inkjet and toner cartridges can take up to 1,000 years to compose, so if we can help recycle them, and raise some money for the school at the same time, this is a win-win situation!

### Safeguarding

To ensure the safety and wellbeing of all our pupils, we kindly remind you that parents and carers should only enter the school buildings when **with a member of staff or you have shared a valid Enhanced DBS check with the school.**

This is a vital part of our safeguarding procedures and helps us maintain a secure environment for everyone.

Thank you for your cooperation and understanding.

### Safety Reminder!

We kindly remind parents that children should not play on the playground area, outside of school hours, unless closely supervised by an adult. Whilst we strive to ensure everyone's safety during school hours, we cannot be held liable for your children's safety once they have been collected and are in parents' care.

Thank you for your understanding and cooperation.

### Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldly Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

### Supporting Families Together: Wirral's Family Toolbox

At Avalon School and Nursery, we understand that parenting can be both rewarding and challenging. That's why we're proud to work in partnership with **Wirral's Family Toolbox** – a free online resource designed to support families in finding the right help, at the right time.

**Family Toolbox** is a space where you can explore practical advice, local services, and useful tools to help your family thrive. Whether you're looking for tips on routines, managing behaviour, mental health support, or advice on housing and finances, Family Toolbox connects you to trusted information and services – all in one place.

By accessing Family Toolbox early, families can often find solutions before challenges become more complex. This enables **early help**, which we at Avalon, strongly support, working alongside you to build a team around your child when needed.

To explore what's available and find support that works for you, visit:

👉 [www.familytoolbox.co.uk](http://www.familytoolbox.co.uk)

Together, we can help make sure every child has the best possible start.

### Scooters and Bicycles

It is lovely to see children coming to school on their bicycles and scooters in the morning. However please could we ask that bicycles and scooters are not left on the school ground during the day for safety reasons.

Many thanks for your understanding and co-operation.

### Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

## Start of the Day Arrangements

Before school club is from 7.45am to 8.30am. Children attending before school club should enter the hall via the main school glass entrance doors.

From 8.30am to 8.45am parents may drop children off at the school gate which will be manned by Avalon staff. Alternatively parents and carers who may wish to bring their child onto the school site and drop their child off at the allocated entrance doors.

## Arriving late to School

## Healthy Snacks

We know that many parents like to celebrate birthdays and other occasions with special treats. We encourage parents to celebrate with non-food items such as stickers, pencils, themed erasers, or other trinkets, rather than food.

Thank you for your understanding and co-operation.

## Wet Play Bags

As we start a new academic year, if any children need a new wet bag play, please contact the school office via email [schooloffice@avalon-school.co.uk](mailto:schooloffice@avalon-school.co.uk). New wet play bags are charged at £5.00 each.

## Scam Emails Warning

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates. Any emails you receive containing invoices or statements will be sent from either [accounts@avalon-school.co.uk](mailto:accounts@avalon-school.co.uk) or [annevans@avalon-school.co.uk](mailto:annevans@avalon-school.co.uk)
