7th January 2022

Dear Parents/Carers,

Spring Term Year 4 Art & Design Food/Cookery Lessons

As part of the Year 4 Art & Design lessons during this half term the children will be completing cooking lessons with the aim to encourage the children to develop cooking methods, skills, and techniques and understanding of ingredients from different countries in Europe. The children will be focusing on creating dishes from some countries in the Mediterranean. All ingredients will be provided by school and of course all allergies will be catered for.

The Year 4 cooking lessons will commence on Friday 14th January and each Friday thereafter until Friday 4th February. The children will be bringing home the dishes they have prepared to share with their family. In order for the children to bring home the food they have prepared, we would be most grateful if parents/carers could provide a tub with a lid each Friday.

We hope that the children will learn some useful lifelong skills which can be put to use when helping out at home and later in life.

If you have any queries regarding the lessons, please do not hesitate to contact the school office.

Yours sincerely

Mrs J Callaway
Headteacher
