Reception to Year 6 “Takeover Challenge” Day

As part of Challenge Week, children from Reception all the way to Year 6 stepped into the shoes of the grown-ups — and they absolutely rose to the occasion!

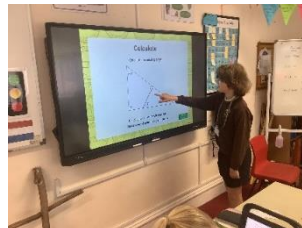

From helping Mrs Callaway lead the school as Headteacher for the day, to becoming class teachers, catering assistants, site managers, nursery teachers and TAs, our pupils embraced the challenge of taking on real responsibilities.

Whether it was leading learning, helping younger pupils, managing lunch service or making sure the school grounds were looked after, the children showed confidence, leadership, and teamwork in everything they did.

It was a brilliant opportunity to try something new, see what it's like to lead, and discover how every role in school makes a difference. And let's just say... the adults better watch out — we've got some future leaders in the making!

The children did not disappoint. What a day to remember!

Year 5 & Year 6 Careers Fair

Careers Fair

This Wednesday, our hall transformed into a hub of inspiration as Year 5 and Year 6 explored the world of work at our Careers Fair!

A heartfelt thank you to all the amazing parents, carers, and family members who took the time to come in and speak about their careers — you opened up a world of possibilities for our pupils!

From the life-saving work of a doctor, midwife, and surgeon, to the adventures of a superyacht captain and helicopter pilot, and the creativity and vision of an architect and planning manager — the children were truly captivated by the passion, skill, and dedication behind each profession.

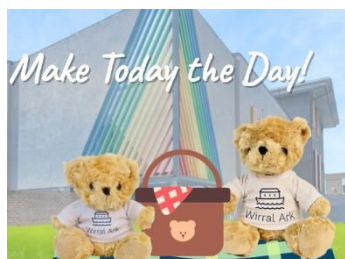

The afternoon gave our pupils a marvellous insight into a wide range of roles and encouraged them to dream big, ask questions, and imagine their own future paths.

Thank you again to everyone who helped make this such a memorable and meaningful experience. You've planted the seeds of curiosity, ambition, and confidence.

Wirral Ark Teddy Bears' Picnic

We had a *beary* special day celebrating National Picnic Day with a Teddy Bears' Picnic in support of the amazing local charity Wirral Ark! The children had a wonderful time in the sunshine, enjoying outdoor activities and sharing their day with the adorable teddies they brought from home.

A huge **thank you** to everyone who donated — your generosity will go towards supporting Wirral Ark in their tireless work helping those without a home. We managed to raise a massive

£200.00

Reception to Year 6 Visit by Martial Arts Instructor

On Thursday we had a powerful visit from Master Ivan Rolls and his incredible team of martial arts experts as part of our Challenge Week events, focusing on Anti-Bullying.

Each class learnt how to identify and respond to bullying, learning de-escalation techniques which help build confidence, empathy and resilience. This was followed by a fun martial arts-themed PE session focusing on self-discipline whilst having a great time.

Every child also received a VIP taster class card for a FREE martial arts session outside of school — an amazing opportunity to keep building strength and resilience!

Thank you to Master Rolls and the team for inspiring our students and helping us promote a safer, kinder school environment!

Reception to Year 6 Sports Day at Activity for All

What a fantastic afternoon of energy, teamwork, and smiles! Our Reception to Year 6 children took part in a brilliant Sports Day filled with field and track events.

It was heartwarming to see pupils from all year groups working together in their House teams, cheering each other on and showing incredible sportsmanship to earn points for their houses.

A huge **THANK YOU** to all the amazing staff at **Activity for All** for hosting such a well-organized event, and to all the parents, friends, and family members who came to support and celebrate the children's achievements.

Year 3 Beach School Sessions

Session 3

This week in Beach School, Year 3 travelled back in time to the Roman Empire! Using their brilliant teamwork and collaboration skills, each group worked together to build their very own Roman Road on the sand.

With a Project Manager and Assistant leading each team, they used their knowledge from our Roman topic to guide the construction process – just like real Roman engineers!

Once the roads were complete, it was time for a bit of fun... chariot races! Each team put their sandy superhighways to the test with some speedy (and sandy!) races across their creations!

Date of the final session will be:

Monday 30th June **PM**

Year 4 Beach School Sessions

Session 3

Year 4 took on a BIG challenge this week... and they absolutely rose to it.

Inspired by the shared book *Oliver and the Seawigs*, the children were challenged to design and build their own floating islands! They explored questions like: should they use wet or dry sand?; should they build closer to the sea or further up the beach?

With creativity and teamwork in full force, some seriously imaginative designs took shape — from seaweed sails to shell-decorated towers!

The afternoon ended with some well-earned fun as everyone went paddling and rock pooling, discovering tiny crabs, shimmering shells, and even a few slippery sea creatures!

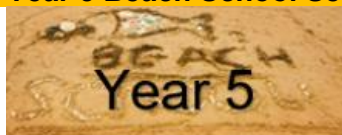

Date of the final session will be:

Tuesday 1st July **PM**

Performing Arts Concert in Support of the NSPCC Tuesday 24th June 2025 at 2pm

You are cordially invited to our Performing Arts Concert on Tuesday 24th June 2025 at 2pm in the School Hall. All children from Pre-School to Year 6 will be involved in a variety of ways during the afternoon's performance

This year's concert is in aid of the NSPCC which is the UK's leading children's charity, focusing on preventing child abuse and neglect, and supporting children and families. They offer a range of services, including helplines, therapeutic services, and educational programs, with a mission to protect children today, prevent abuse tomorrow, and transform society for every childhood.

We would ask that children come to school wearing something green in support of the NSPCC for a small, suggested donation of £2.00. There will also be an opportunity for parents and carers to also donate on the afternoon of the concert.

We look forward to seeing you there and, of course, for your continued support.

Reception Trip to the Beach Thursday 26th June 2025

As part of Reception's topic "Summer Holidays" we are planning to take the Reception children to the beach at Cubbins Green after lunch on Thursday 26th June 2025.

As you know the weather can be very unpredictable and therefore, we would most grateful if you could ensure that your child is appropriately dressed on the day. The children are to come to school in their full PE kit including their jogging pants or leggings on that day and to bring with them appropriate footwear for walking to and from the beach, as well as on the beach. Children will also need a lightweight waterproof jacket.

As the weather may be warm, the children will need a sun hat, their own sunscreen and sunglasses. We will take any medication with us that children have in school; however, if there is something in addition to this that you feel your child may need, please send it into the school office with instructions, on the morning of the trip.

A full risk assessment has been completed for this activity, and we will return to school at 3.00pm. If you would rather your child did not attend, please contact Mrs Daniel or the school office.

PTA Strawberry Tea Friday 27th June 2025 3.00pm – 5.00pm

The PTA will also be running a summer raffle with raffle tickets being sent home with the children last week. The money and ticket stubs (please retain ticket part) together with any unsold tickets should be returned to school no later than Monday 23rd June.

The PTA are always grateful for your support which helps raise money that directly benefits all children at Avalon School.

All children from Nursery, Pre-School, Reception to Year 6 may be collected by an appropriate adult from 3pm to attend the Strawberry Tea. Children in Years 3 to 6 who are not collected at this time, will stay with their form teacher until normal pick-up time at 3.40pm. We look forward to seeing you there.

As we are enjoying the warmer weather, please could we remind parents and carers to ensure their child brings to school a refillable water bottle to help them stay hydrated, a sun hat and has applied sunscreen as necessary each morning prior to coming to school. Many thanks for your co-operation and support.

Pre-School Transfer to Reception

September 2025

When allocating places in our Reception class, we always give priority to our current children in the Pre School first. We would therefore like to share our offer for Reception provision with you to assist you with making a fully informed and rounded decision about the next steps for your child's educational journey.

Our current Pre-schoolers have already enjoyed some exploratory visits to the Reception classroom and started to meet the Reception staff team. We would now like to extend this welcome by offering some informal, introductory sessions for parents to meet with Mrs Callaway, Headteacher, Mrs Daniel, our Reception teacher, and to discuss more about what we can offer your child in September 2025.

If you would like to take up this opportunity for an individual appointment, please confirm this with your child's key worker in Pre School and we will be happy to arrange that with you.

We have already had a number of enquiries and statements of interest in next year's Reception class from external parents and we will soon be confirming them as secured places for September 2025.

If you wish to confirm your child(ren)'s place(s) in Reception for September 2025, we would be grateful if you would complete and return the reply slip by the above date.

We ask parents who wish to reserve their child(ren)'s place(s) in Reception class September 2025 to sign and complete the school's registration form and agreement of the school's terms and conditions.

Should you have any questions regarding the above, please do not hesitate to contact us for further assistance.

Thank you for your co-operation.

Recycle Your Empty Printer Cartridges at School

As part of a recycling initiative, we are asking all parents and carers if they would kindly drop off any used Inkjet and toner cartridges to the blue Inkjet recycling box situated outside the school office.

Inkjet and toner cartridges can take up to 1,000 years to compose, so if we can help recycle them, and raise some money for the school at the same time, this is a win-win situation!

Safeguarding

To ensure the safety and wellbeing of all our pupils, we kindly remind you that parents and carers should only enter the school buildings when **with a member of staff or you have shared a valid Enhanced DBS check with the school.**

This is a vital part of our safeguarding procedures and helps us maintain a secure environment for everyone.

Thank you for your cooperation and understanding.

Safety Reminder!

We kindly remind parents that children should not play on the playground area, outside of school hours, unless closely supervised by an adult. Whilst we strive to ensure everyone's safety during school hours, we cannot be held liable for your children's safety once they have been collected and are in parents' care.

Thank you for your understanding and cooperation.

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldly Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

Supporting Families Together: Wirral's Family Toolbox

At Avalon School and Nursery, we understand that parenting can be both rewarding and challenging. That's why we're proud to work in partnership with **Wirral's Family Toolbox** – a free online resource designed to support families in finding the right help, at the right time.

Family Toolbox is a space where you can explore practical advice, local services, and useful tools to help your family thrive. Whether you're looking for tips on routines, managing behaviour, mental health support, or advice on housing and finances, Family Toolbox connects you to trusted information and services – all in one place.

By accessing Family Toolbox early, families can often find solutions before challenges become more complex. This enables **early help**, which we at Avalon, strongly support, working alongside you to build a team around your child when needed.

To explore what's available and find support that works for you, visit:

👉 www.familytoolbox.co.uk

Together, we can help make sure every child has the best possible start.

Scooters and Bicycles

It is lovely to see children coming to school on their bicycles and scooters in the morning. However please could we ask that bicycles and scooters are not left on the school ground during the day for safety reasons.

Many thanks for your understanding and co-operation.

Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

Start of the Day Arrangements

Before school club is from 7.45am to 8.30am. Children attending before school club should enter the hall via the main school glass entrance doors.

From 8.30am to 8.45am parents may drop children off at the school gate which will be manned by Avalon staff. Alternatively parents and carers who may wish to bring their child onto the school site and drop their child off at the allocated entrance doors.

For Reception, Year 1 and Year 2, this will be at the main glass entrance doors. For all Junior children, Year 3 to Year 6, this will be at the front door of the junior building.

Arriving late to School

Late attendance (after 8.45am). If your child is late coming into school, we then ask that parents ring the intercom for assistance and bring their child directly into the school office for registrations.

End of the Day Arrangements

Children's collection arrangements will be as follows:

Year Group	Collection Time	Collect From
Nursery & Pre-School	At the end of session	Nursery Entrance
Reception	3.05pm	Nursery Entrance
Year 1	3.05pm	Nursery Entrance

We know that many parents like to celebrate birthdays and other occasions with special treats. We encourage parents to celebrate with non-food items such as stickers, pencils, themed erasers, or other trinkets, rather than food.

Thank you for your understanding and co-operation.

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates.
