20<sup>th</sup> September 2022

Dear Parents/Carers,

**European Day of Languages  
Monday 26<sup>th</sup> September 2022**

Following a very successful and enjoyable celebration day last year, we are inviting the children to participate again in this year's European Day of Languages, on Monday 26<sup>th</sup> September 2022.

The purpose of the European Day of Language is to celebrate both the cultural and linguistic diversity within Europe and to encourage and promote language learning.

Our aim is to encourage language learning, at any age, and to promote further intercultural understanding. Throughout the day children will celebrate the diversity of languages and cultures within Europe through a variety of activities and events including quizzes, role play and a special themed 'European Day' lunch.

In addition to this, we will be holding a whole school assembly, where we would like children to '*share and show*' their knowledge of different languages and cultures from Europe. We would ask that children bring to school any special artefacts, such as flags or traditional costumes to support our EDL assembly on the morning of Monday 26<sup>th</sup> September.

Yours sincerely

Mrs J Callaway
