19th January 2026

Dear parents and carers,

PHSCEE Curriculum – Relationships and Health Education
Reception to Year 6 Parent Consultation & Information Meeting
Thursday 26th February 2026 at 5pm

As a part of your child's educational experience at Avalon School, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health, Citizenship and Economic (PSHCE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future.

As part of our ongoing curriculum updates, we have been reviewing our RHE (Relationships and Health Education) curriculum and policy so we can be sure our RHE provision, which will be taught during the next half term, is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

We would like to consult with parents, to inform our decisions on when and how certain curriculum content is covered in school. Based on the feedback from our consultation, we will we make any necessary adjustments to our current RHE policy and curriculum content and inform parents of any changes. Please note our RHS policy will be shared with parents prior to the meeting.

The parent consultation and information meeting will be held on Thursday 26th February at 5pm in the Science classroom for parents of children in Reception to Year 6. We would be most grateful if you could indicate whether or not you are able to attend the meeting by completing and returning the attached reply slip by Monday **23rd February 2026**.

Yours sincerely

Mrs J Callaway
