Headteacher: Mrs J Callaway BA Hons QTS

3<sup>rd</sup> May 2017

Dear parents/carers,

### STEM Club – Crest Bronze Award

This term during STEM club, we will be running a CREST Bronze award based on sanitation.

“CREST Bronze provides a real-life experience of ‘being’ a scientist and working on STEM projects, allowing students to experience the project process; improving their enquiry, problem solving and communication skills.”

Children will work on the project or challenge in self-managed groups, with teacher support. We are working on projects that demonstrate good communication skills, show innovation and creativity and address real-world problems.

Children will be provided with a CREST Bronze workbook, structured to guide the students through the project process, and relates directly to the CREST criteria. The projects and evidence will then be sent to CREST, before certificates are awarded.

We are sending you this letter to ask for a voluntary cash donation of £5.00 for your child to be registered for this award.

I would be grateful, however, if you could complete the attached reply slip and return this to school.

Yours sincerely

Mrs J Callaway  
Headteacher

Please complete and return to school.

**STEM Club Bronze Award**

Child's Name: \_\_\_\_\_ Year \_\_\_\_\_

I give permission for my child to take part in the STEM Club Bronze Award

Signed: \_\_\_\_\_
