23rd February 2026

Dear Parents and Carers,

We are delighted to invite you to our '**Learning Together Day**' on **Friday 13th March**, as listed in our diary dates for this term.

We will be opening the school to all parents, carers, grandparents and family members from Nursery to Year 6, as well as welcoming any prospective parents, to come and share a session with us in school and experience first-hand the types of activities we do and how we learn each day.

As this event falls during British Science Week, classes will also be taking part in enquiry activities linked to their own '*Be Curious*' questions. Amongst other daily activities, visitors may also have the opportunity to see our young scientists in action as they explore, question and investigate.

'Learning Together Day' is designed to be a fun, welcoming and memorable open day. Families may join a morning or afternoon session in their child's class, experiencing the activities, learning and routines that make up a typical school day. Our important visitors will be able to:

- Share in children's work and learning
- See progress in action
- Join in with activities
- Meet members of staff and the Headteacher
- Ask any questions about school life
- Take part in pupil-led tours of the school

Most importantly, the day gives our children the opportunity to proudly show and share their learning with you.

To help us with planning, please complete the reply slip below and return it to the school office by **Monday 9th March**. We very much hope you will be able to join us for this special day.

Yours sincerely

Mrs J Callaway
Headteacher
