Dear Parents and Carers,

Our end-of-year production of *Joseph and the Amazing Technicoloured Dreamcoat* is fast approaching, and we are very much looking forward to what is always a highlight of the school year. Traditionally, this has been a Junior production; however, this year we are delighted to extend the opportunity to pupils in Years 1 and 2 so that they can experience being part of a larger-scale performance, supported by our older children.

In class, the children have already begun learning some of the songs, and many have shown great enthusiasm for taking part. For Years 1 and 2, involvement in the production will mainly focus on singing as part of a group. The children will be learning a range of songs in school and will not be required to learn lines. As the performance runs for approximately one hour, children will also need to build their confidence and stamina to participate throughout the show.

The performance dates are as follows:

- Tuesday 19th May at 2:00pm
- Wednesday 20th May at 6:00pm
- Thursday 21st May at 6:00pm

Participation is entirely voluntary, and we appreciate that the evening performances will involve two later nights for the children. Please be reassured that there will be further opportunities to perform later in the year during our Performing Arts Concert, so there is no expectation or pressure for your child to take part on this occasion, if you feel that it is not right for your child, just yet.

To support the children in preparing for the production, we would ask that those taking part attend Wednesday rehearsal sessions from 3:30pm–4:30pm over the next three weeks.

If you would like your child to be part of this year's musical theatre production, please complete and return the reply slip below.

Yours sincerely
