Dear Parents/Carers

SWGfL Virtual Online Safety Session for Parents
Wednesday 8th February 2023 at 6-7.30pm

We are pleased to announce that we will be holding an SWGfL Virtual Online Safety Session for all parents to attend.

Recent research shows that every time a child is online, they are only a few clicks away from danger. The internet has changed all of our lives, particularly our children's. For parents and carers this opens up a whole new world of things to be aware of. You might be struggling to keep up with the things your child is doing online, you might wonder what your child is doing online, whether what they are doing is safe, how you can talk about what they're doing online and the risks they might face.

Safer Internet Day is 7th February this year. The session from SWGfL provides parents with an insight into popular technologies and how young people utilise them. Demonstrating the massive benefits and potential pitfalls, the presentation provides parents with advice, strategies and resources to help them understand and engage with their child's online lives in a healthy, positive and productive way.

The parent session will commence online at 6pm to 7.30pm. We will provide parents with login details nearer to the date. For the session to run, and for it to be effective and have a supportive impact for our pupils, we need as many parents as possible to attend. Please confirm your attendance below.

Yours sincerely

Mrs J Callaway
