Dear Year 4 parents and carers,

Year 4 Beach School Sessions Tuesday 30th June and Monday 6th July

As part of our School's Outdoor Learning Beach initiative, we are planning to take the Year 4 children to the beach at Cubbins Green for two sessions during the remainder of this term. The outdoor learning Beach sessions will form part of a cross-curricular element of the children's topics they have recently explored. The children will also learn about the tides, the local environment and how to build a survival shelter as part of their outdoor learning experience.

What children will need to bring to each Outdoor Learning Beach Session:

As you know the weather can be very unpredictable and therefore, we would most grateful if you could ensure that your child is appropriately dressed on the day. The children are to come to school in their full PE kit including their jogging pants or leggings on that day and to bring with them appropriate footwear for walking to and from the beach, as well as on the beach. Children will also need a lightweight waterproof jacket. To carry the equipment that the children will require for each outdoor learning beach session, they will require a small day bag/rucksack and their own water bottle

If the weather is warm the children will need a sun hat or if it cold, they will need a pair of gloves, hat, and warm coat as well as walking boots or sturdy equivalent.

Whatever the weather, the children will require their own sun cream as they will be outside for some considerable time. Sunglasses and a sun hat may also be required if it is particularly sunny with hot temperatures.

We will take any medication with us that children have in school; however, if there is something in addition to this that you feel your child may need, please send it into the school office with instructions, on the morning of the session.

Dates of each Outdoor Learning Beach Session to coincide with the tide times:

Tuesday 30th June **PM**

Monday 6th July **PM**
