Supporting Families Together: Wirral's Family Toolbox

At Avalon School and Nursery, we understand that parenting can be both rewarding and challenging. That's why we're proud to work in partnership with **Wirral's Family Toolbox** – a free online resource designed to support families in finding the right help, at the right time.

Family Toolbox is a space where you can explore practical advice, local services, and useful tools to help your family thrive. Whether you're looking for tips on routines, managing behaviour, mental health support, or advice on housing and finances, Family Toolbox connects you to trusted information and services – all in one place.

By accessing Family Toolbox early, families can often find solutions before challenges become more complex. This enables **early help**, which we at Avalon, strongly support, working alongside you to build a team around your child when needed.

To explore what's available and find support that works for you, visit:
👉 www.familytoolbox.co.uk

Together, we can help make sure every child has the best possible start.

Driving around the school

We kindly ask all parents and carers to respect residents' properties when parking and driving through the neighbourhood at drop off and pick up times. Please do not move or reposition household bins or enter private driveways without permission. Recently, bins have been placed in ways that block access and create potential safety risks for both pedestrians and drivers.

Residents have always managed their own bins responsibly, and your cooperation helps keep our community safe, respectful, and pleasant for everyone. Thank you for your understanding.

Mental Health Wellbeing Support

Below are some helpful links to websites and services that can be accessed in relation to mental well being support. We have a number of trained Mental Health First aiders in school, but as always, please do get in touch if there is anything further that you would like School to do to support a child, parent or family further.

Recycle Your Empty Printer Cartridges at Avalon

As part of a recycling initiative, we are asking all parents and carers if they would kindly drop off any used Inkjet and toner cartridges to the blue Inkjet recycling box situated outside the school office.

Inkjet and toner cartridges can take up to 1,000 years to compose, so if we can help recycle them, and raise some money for the school at the same time, this is a win-win situation!
