30th September 2026

Dear parents and carers,

We are very sorry to inform you that, unfortunately, the Bikeability course scheduled for tomorrow will no longer be taking place as previously planned.

We have only just been informed by BikeRight Merseyside that, although they have recruited a number of new instructors over the past few weeks, several of their DBS checks have not yet come through. As a result, they do not have enough instructors available to run the course tomorrow.

We sincerely apologise for the very short notice. This news has only just reached the school office, and we appreciate how disappointing this will be, particularly for the children who have been looking forward to taking part.

BikeRight Merseyside are looking to arrange alternative dates in the not-too-distant future, and we will share further information with you as soon as we have it.

We are very sorry for the inconvenience and disappointment caused, and thank you for your understanding. Tomorrow will be a normal school day, please do not bring bikes to school unless you are using for transportation to and from school.

Yours sincerely

Mrs J Callaway
Headteacher
