Dear Parents and Carers,

Cancellation of Upcoming EYFS & KS1 Maths Workshops

We are writing to inform you that the EYFS & KS1 Maths workshops for parents, originally scheduled to take place this coming Wednesday 15th October at 5.30pm, have unfortunately been cancelled. This decision was made due to a very limited number of parents confirming their attendance.

We remain committed to sharing this information with you, so the presentations for the workshop will be placed on the school website in due course instead. You are welcome to access all of the resources and information directly from there at your convenience.

If parents require any further support or have questions about the materials once they are uploaded, our staff will be happy to assist you with any queries.

We apologise for any inconvenience this cancellation may cause and thank you for your continued support.

Yours sincerely

Mrs J Callaway
