2nd November 2026

Dear parents and carers,

**Year 1 & Year 2**
**Visit by "Animals Take Over"**
**Wednesday 25th November 2026**

As part of the Year 1 & Year 2's science curriculum, we have arranged for **Animals Take Over** to visit the school on the morning of Wednesday 25th November 2026. We hope the workshop will enhance the children's learning about animals and extend their knowledge and understanding of the world.

The children will have the opportunity to meet eight different animals, including a bird, reptiles, an amphibian and a selection of mammals. They will be able to touch and hold the animals (where appropriate) while discovering lots of fun and interesting facts about them.

This exciting, hands-on experience will help the children learn about the different animal classification groups, their characteristics and what makes each group unique.

The cost of this experience will be **£6.00 per child**. Please could consent forms, along with payment be returned to the school no later than **Monday 23rd November 2026.**

If you would prefer your child not to take part in this activity, please inform the school office. Similarly, if your child has any allergies that we are not aware of, please inform your child's class teacher or the school office.

Yours sincerely

Mrs J Callaway
