Y6's World War 2 Project

Thank you to all the parents and carers that were able to attend the Year 6 World War 2 Style, Afternoon Tea, class assembly on Monday 29th January.

This year, Safer Internet Day 2024 is celebrated on 6th February 2024, with thousands of people across the UK working together to champion youth voice and engage in conversations about how we can all work together to make the internet a great and safe place.

Year 5 Bikability Course Level 1 & Level 2 Wednesday 13th, Thursday 14th, & Friday 15th March 2024

Making cycling
viable, safer
and better

We are excited to be working with BikeRight to offer the Year 5 children their Bikeability Level 1 and Level 2 combined course commencing Wednesday 13th March 2024.

The children will be in groups of 6; completing both Level 1 and Level 2 on the same day, therefore they will only need to bring their bike into school for one day. Parents will be informed which day their child has been allocated once the booking process is complete.

Bikability is designed to give the next generation the skills and confidence to ride their bikes on today's roads. The instructors will teach children to ride a bike to National Standards and introduce them to cycling as an everyday, fun, healthy activity and an alternative mode of transport.

The course will take place in the school playground and on local roads near to the school. The instructors will carry out a risk assessment of the training areas before the start of the course.

Please click on the links below for more information and to register your child to take part.

Scooters and Bicycles

It is lovely to see children coming to school on their bicycles and scooters in the morning. However please could we ask that bicycles and scooters are not left on the school grounds during the day for safety reasons.

Many thanks for your understanding and co-operation.

Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask

parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

IMPORTANT REMINDER Breaktime Snacks

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

Snack which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks are not appropriate to be brought into school.

Thank you for your co-operation.

Parking and Driving around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldry Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.
