June 2024

Hello everyone, welcome to the 2nd edition of the PTA termly newsletter!

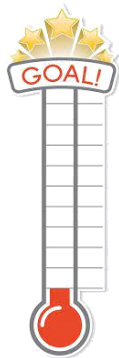

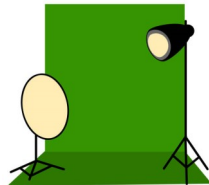

## What we do ...

The PTA raise funds to help fund academic programmes and equipment for school. We do this through fun social events for the children, parents and staff.

### Current Fundraising!

The new stage lights were installed in time for the Lion King production.

Our next target is to fund the purchase of green screen equipment.

If you have any questions, suggestions or would like to get involved please email:
