Year 5 Bikability Course Level 1&2 Tuesday 8th, Wednesday 9th & Thursday 10th October 2024

Making cycling
viable, safer
and better

We are excited to be working with BikeRight to offer the Year 5 children their Bikability Level 1 and Level 2 combined course commencing Tuesday 8th October 2024.

The children will be in groups of 5; completing both Level 1 and Level 2 on the same day, therefore they will only need to bring their bike into school for one day. Parents will be informed which day their child has been allocated once the booking process is complete.

Bikability is designed to give the next generation the skills and confidence to ride their bikes on today's roads. The instructors will teach children to ride a bike to National Standards and introduce them to cycling as an everyday, fun, healthy activity and an alternative mode of transport.

The course will take place in the school playground and on local roads near to the school. The instructors will carry out a risk assessment of the training areas before the start of the course.

Please click on the links below for more information and to register your child to take part.

Avalon School Water Bottles

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldly Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.
