A dance style with African roots and technical movements which has evolved into today's popular jazz styles as seen in the theatre. It includes varying rhythms and styles for fun musical interpretation.

Modern Jazz is fun. One minute you may be dancing to the rhythm of a drum, the next to a funky jazz style. You may explore contrast between expansion and relaxation or learn to isolate in a slick stylish mood. It will be a wonderful opportunity to react and interact with other members and really dance to express your feelings.

The cost is just £4.32 per week. 8 weeks is £34.59  
We also offer sibling discounts.
