**What does  
promoting  
British Values  
in schools  
mean?**

# Guidance on promoting British values in schools was published 27<sup>th</sup> November 2014

“A key part of our plan for education is to ensure children become valuable and fully rounded members of society who **treat others with respect and tolerance**, regardless of background.”

“We want every school to promote the basic British values of **democracy, the rule of law, individual liberty, and mutual respect and tolerance** for those of different faiths and beliefs.”

“This ensures young people **understand the importance of respect** and leave school fully prepared for life in modern Britain.”
